

# Telstra Elite New Power Button Replacement

Written By: Rachel South

## Step 1 — New Power Button

- Take front of phone off with proper tool

## Step 2

- Place stretchy plastic around hook and set power button in place.

## Step 3

- Add front of device back on.
- This may be tricky as the button will try to move. Try keeping button face up so it does not fall out.

---

To reassemble your device, follow these instructions in reverse order.
